Abhivyakti Foundation
On the path to enlightenment.....
When Sankalp’s Pledge found its Abhivyakti in Giridih

- Sankalp-A Pledge to Change in association with Abhivyakti Foundation started its mission education programme in the most backward blocks of Giridih.
- Sirsiya was chosen as the centre location as the targeted blocks in Sirsiya have high drop outs and low literacy levels amongst the children.
- Though most of the children are enrolled in different government schools, the educational & academic level is far from satisfactory which triggered thoughts to spread our wings in such areas for such children.
- A total of 70 children are currently enrolled at the centre which is currently run from a temple premise and providing free of cost tuition to enhance their learning skills.

There are two kinds of people in this world:

Givers & Takers.

The takers may eat better, but the givers sleep better.
