A pledge to change...
The ‘art’ of teaching... is the art of... assisting discovery
“Those who educate children well are more to be honoured than they who produce them; for these only gave them life, those the art of living well.” 
— Aristotle
HIGHLIGHTS

Sankalp celebrated Teacher’s Day across its various centres to mark the birth anniversary of our Ex-President and a great & eminent educationist of our country Dr. S. Radhakrishnan

- Students were acquainted with the life and ideals of Dr. Sarvpalli Radhakrishnan
- The day ended with the distribution of stationaries to students and cultural events organized by students themselves.
- It is important to teach the significance of Red Letter day to our next generation to instil a feeling of respect towards the great nation builders and patriots.
Today you lead the school.

Tomorrow your students will lead the world.
